# AGILE PhD School 7<sup>th</sup> Edition

## Closing Remarks

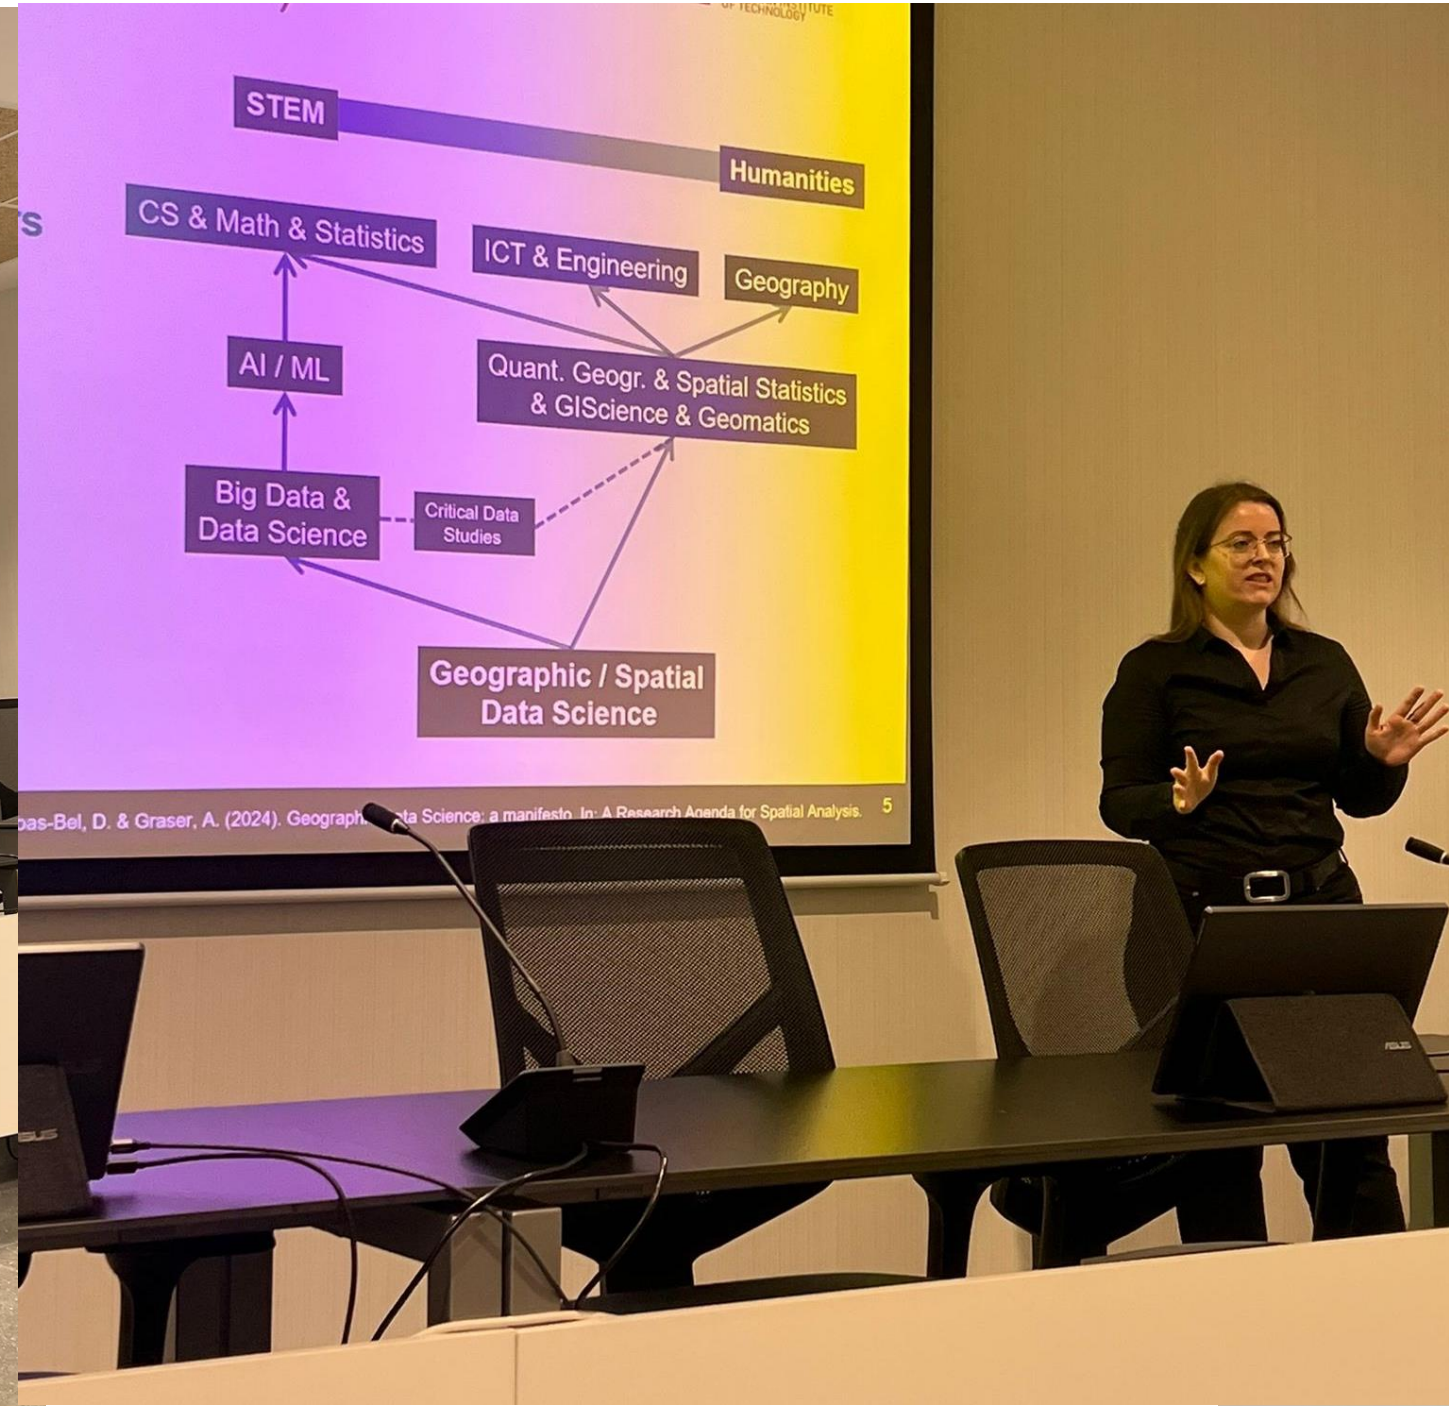

### What have we covered:

1. Research Overview (Crime Analysis, Citizen Science, Spatial Accessibility, and Spatial Data Fusion)
2. Research Paper Structure, and Research Proposal
3. Your work – a glimpse of all the work you are doing → It is very impressive.
4. Speakers – Anita Grasser, João Porto de Albuquerque y Rafael Verduzco Torres
5. Group Discussions - A taste of how complicated to work on multidisciplinary research is

### We hope you could:

- Enhance your scientific writing skills
- Deepen your understanding of GeoAI research
- Share your PhD journey and exchange ideas
- Get feedback on your ongoing research
- Build lasting connections with peers and AGILE alumni

# Great Speakers

# Many thanks to our sponsors

Many thanks to you
